2010 SUMMER CAMP SIGN UP -TROOP 2

WHEN & WHERE:

Sunday, JUNE 13th, at 9:00 AM to Saturday, JUNE 19st at 2:00 PM. You may go to additional or different weeks of camp also, and camp with another troop — we get credit for your attendance no matter which week you go. We expect every Scout to go to camp every year! We will again be going to Camp Little Turtle -- Shawnee Campsite -- Anthony Wayne Scout Reservation, Pleasant Lake, Indiana. Use Ashley Exit off 1-69 and follow the signs. The bus will leave from the Scout Lodge and return there. Troop 2 will host our own parents' night on Wednesday, JUNE 16th - reservations will be requested at a later date.

COST:

The total fee for our Troop in 2010 will be \$260.00 (\$242.00 if payments made on time) - food and all equipment provided except for health physical, personal items, required uniforms, sleeping bag, and backpack or duffel. An equipment list will be provided several weeks before camp. **No charge for adult leaders — we need you!** — The Troop will pay your fee and register you as a leader (Camp charges for meals only)... Please confirm the exact meals you will use, if coming for less than the whole week. **Doctor signed physicals and full uniforms (Class 'A' & Class 'B') are required for every Scout and Leader.** Forms are due 30 days before we leave for camp.

RESERVATION FEES DUE:

We must have your reservation confirmed by March 1st. Return this form and (if paying cash) a \$80.00 PAYMENT (make check payable to St. Vincent Scouts) by that date. The two remaining payments of \$80.00 and \$82.00 each are due by April 1st and May 1st. If using scout account your account will be billed for the entire \$242.00 now, so that you can see how much you need to earn before June 1st. All late-comers are welcome - you just don't get all the free extras with a late sign-up, and you make things very difficult for us to plan - we will contact everyone several times, since it is very important that everyone gets to camp! You will receive a free camp anniversary hat if you sign and pay on time. Dropouts or no shows will receive no refund. After June 1st, a written request for a partial refund, if warranted for any reason, must be submitted to the Troop and the Council before the end of camp — usually, only a portion is refunded, since many costs are committed before camp opens. We will use your work credit account to pay the balance of your fees when due - **if your work credits are insufficient, please make a payment by cash or check** - payable to St. Vincent Scouts.

PLEASE USE THIS FORM TO SIGN UP FOR CAMP - KEEP AN EXTRA COPY FOR FUTURE

Annual Health and Medical Record

(Valid for 12 calendar months)

Medical Information

The Boy Scouts of America recommends that all youth and adult members have annual medical evaluations by a certified and licensed health-care provider. In an effort to provide better care to those who may become ill or injured and to provide youth members and adult leaders a better understanding of their own physical capabilities, the Boy Scouts of America has established minimum standards for providing medical information prior to participating in various activities. Those standards are offered below in one three-part medical form. Note that unit leaders must always protect the privacy of unit participants by protecting their medical information.

Parts A and C are to be completed annually **by all BSA unit members**. Both parts are required for all events that do not exceed 72 consecutive hours, where the level of activity is similar to that normally expended at home or at school, such as day camp, day hikes, swimming parties, or an overnight camp, and where medical care is readily available. Medical information required includes a current health history and list of medications. Part C also includes the parental informed consent and hold harmless/release agreement (with an area for notarization if required by your state) as well as a talent release statement. Adult unit leaders should review participants' health histories and become knowledgeable about the medical needs of the youth members in their unit. This form is to be filled out by participants and parents or guardians and kept on file for easy reference.

Part B is required with parts A and C for any event that exceeds 72 consecutive hours, a resident camp setting, or when the nature of the activity is strenuous and demanding, such as service projects, work weekends, or high-adventure treks. It is to be completed and signed by a certified and licensed health-care provider—physician (MD, DO), nurse practitioner, or physician's assistant as appropriate for your state. The level of activity ranges from what is normally expended at home or at school to strenuous activity such as hiking and backpacking. Other examples include tour camping, jamborees, and Wood Badge training courses. It is important to note that the height/weight chart must be strictly adhered to if the event will take the unit beyond a radius wherein emergency evacuation is more than 30 minutes by ground transportation, such as backpacking trips, high-adventure activities, and conservation projects in remote areas.

Risk Factors

Based on the vast experience of the medical community, the BSA has identified that the following risk factors may define your participation in various outdoor adventures.

- Excessive body weight
- Heart disease
- Hypertension (high blood pressure)
- Diabetes
- Seizures
- Lack of appropriate immunizations
- Asthma
- Sleep disorders
- Allergies/anaphylaxis
- Muscular/skeletal injuries
- Psychiatric/psychological and emotional difficulties

For more information on medical risk factors, visit Scouting Safely on www.scouting.org.

Prescriptions

The taking of prescription medication is the responsibility of the individual taking the medication and/or that individual's parent or guardian. A leader, after obtaining all the necessary information, can agree to accept the responsibility of making sure a youth takes the necessary medication at the appropriate time, but BSA does not mandate or necessarily encourage the leader to do so. Also, if state laws are more limiting, they must be followed.
